Brand & Model	Serial No.	PO No. *(If Any)*	FA No./Remark *(If Any)*
			-

Section B - Declaration

I, Ratna Dewi , Employee No. 933908

have received the above mentioned equipment in good condition and agreed to take good care of it at all time. I am aware that the equipment(s) is to be handed over to ISD PERSONALLY when it is no longer required regardless of its condition.

It is my responsibility to ensure that the following rules,regulations and procedures (not limited to) are followed :

For PC (Desktop/Laptop/Tablet) please take note following rules and regulation

1. User who requires to bring the laptop out of company premises is to obtain written approval from their department manager and ISD. The approval is subject to the ISM P/S/G and Remote Access Procedure (CE106-ISD-205-S R1).
2. All PCs/Laptops must be encrypted before bring out of company premise, except for those where such security features are not supported.
3. All PCs/Laptops are to be configured with screensaver password and set maximum boot time for up to 3 miniutes.
4. All PCs/Laptops are to be configured by ISD Infra Members only. Users are not allowed to change any setting or open the hardware without permission from ISD.
5. Users are reminded that all software installed in the PC are to be licensed/registered freeware.
6. Users passwords to be set are to follow the password policy. All users passwords are confidential and not to be revealed to others
7. Stolen/lost laptop must be reported to CRO/MD, ISM Manager & ISD Manager immediately .
8. Any damages/loss of this equipment/asset is subject to disciplinary action and user has to pay for an equivalent new set of replacement.
9. Only standard wall paper, screen saver, and standard mouse pointer provided by MS window is allowed.
10. It is user's responsibility to ensure that the anti-virus pattern is up-to-date by verifying the pattern number against company's portal.

Additional rules and regulations are applicable and need to comply with. The updates will be available on the intranet.

I am also aware that anybody found violation of these rules will subject to disciplinary action, including termination of employment, legal action and criminal liability.
